

No: - DCP/PA/6202-05
Dated: - 01-06-2016

Subject: - **Regarding smooth power supply in the district.**

ORDER

It has been observed that there is wide spread resentment among the public on account of poor power supply in the district. The situation has further worsened during prevailing hotness of summer particularly with frequent scheduled/un-scheduled power cuts.

In this regard, following instructions are hereby issued for strict compliance: -

- i) The scheduled power cuts should be given wide publicity well in advance so as to keep the general public aware in this regard.
- ii) The unscheduled power cuts should be avoided, if possible; otherwise, these should also be compensated later by adjustment & equal reduction of scheduled cuts.
- iii) The details of expenditure made by PDD under all schemes including CDF village-wise should be displayed in each panchayat. The physical targets met during 2014-15 & 2015-16 should also be read over to the villagers and a certificate from the panchayat concerned should be got recorded certifying installation of the physical achievements (poles, conductor & transformer) and the certificate should be forwarded to the office of DSEO/CPO Deputy Commissioner Office personally. The display of works and reading over to panchayat shall be personal responsibility of the Executive Engineer PDD who shall depute a reasonable officer/official to

ch panchayat from 01-06-2016 to 12-06-2016 during Public Awareness Campaign of State Schemes & Centrally Sponsored Schemes. Further, the achievements should be displayed at conspicuous places in the concerned villages so as to ensure transparency in the distribution of poles/conductor.

- iv) In view of the forthcoming Ramzan and Shri Budha Amar Nath Yatra, the Executive Engineer, PDD shall intimate this office about the steps taken to ensure smooth, un-interrupted power supply. The Executive Engineer shall also take up the matter with Chief Engineer, PDD Jammu to remove any hiccups etc to ensure proper power supply and intimate this office about the progress in this regard. The Chief Engineer shall accordingly intimate the Hon'ble MLA/MLC of this district about the action taken in this regard under an intimation to this office.

Yours faithfully,

(Mohammad Harun) KAS
Deputy Commissioner
